Getting Around by TTC

All-night Service

Normally the Subway/Rapid Transit runs on Saturday nights until approximately 1:30 am, and Sunday service starts again at approximately 9:00 am. Specifically for Scotiabank Nuit Blanche, the TTC is offering all-night service to a portion of the subway line.

The Bloor-Danforth subway will run all night from **Keele** to **Woodbine** and the **Yonge-University subway** will run all night from **St Clair West** to **Eglinton**.

The 509 Harbourfront Streetcar will be extended overnight to shuttle audiences directly to and from Union Station (Zone B) and Liberty Village (Zone C) in the city's west end.

In addition to the regular all-night Blue Night Network service, increased all-night service will be offered on:

- 300 BLOOR-DANFORTH all-night bus route to Kipling, Warden and Kennedy commuter parking lots.
- 320 YONGE all-night bus route to the Finch parking lot.
- SPADINA SUBWAY shuttle bus (YUS) from St Clair West Station to Yorkdale, Wilson and Downsview lots.

Recommended Routes between Zones

Most projects in Zones A & B are accessible by the Yonge-University subway. Use the 509 Harbourfront Streetcar to shuttle between Zone C and Zone B.
